

Free Phone

If you receive gov't funding, such as SSI, food stamps, TANF or OHP, you may be eligible for a free phone that includes 350-500 minutes and unlimited texts.

Apply at lifeline.oregon.gov and click on "I want free Lifeline service" or you may mail in an application that can be printed from the website or this web address: www.puc.state.or.us/rspf/otapappnpf.pdf.

If you don't have internet access, you can Call Lifeline at 800-848-4442 to have an application mailed to you. After you've applied and been approved, a phone will then be mailed to you.

Note: When you apply, you will need to provide an address where the phone may be mailed, but you cannot use an address that has already been used by another customer. If you use a multiple-person mailing address, such as TPI or a shelter, you will need to complete a Household Worksheet along with your application. Call the Oregon's Lifeline Administration at (800) 848-4442 to have that form emailed or mailed to you. Then mail in that form along with a printed application (see above) to Oregon Public Utility Commission
PO Box 1088, Salem, OR 97308-1088
or fax to 877-567-1977.
