

Is PMC a learning faith community?

Adult Faith Formation Team

The Adult Faith Formation team strives to create learning opportunities that form a bridge between our Christian faith and everyday lives. We hope to encourage PMCs to grow in community with one another and grow in faith at all stages of life. We facilitate a number of activities including:

- Adult Sunday School planning
- Resourcing the congregation with books or other materials
- Planning events, workshops, or lectures
- PMC Library (Jenny Snyder)

ANABAPTISM
at FIVE HUNDRED

This year's guiding themes include: Celebrating the 500 year anniversary of Anabaptism and Growth through times of Transition.

Survey on Peace-making and Alternative Service

At our 3rd Common Conversation in late April 2024, we introduced a survey to collect information about those who have done service and how we all are building peace in our lives today. Replies will be added to the PMC Church Directory. Use the QR code to fill out the form digitally or you can request a paper copy of the form from David Holcomb.

Upcoming Events:

Sunday School starts – September 15

SS hour options, 11am on Sundays:

"What is an Anabaptist Christian?" : We'll join together for a short presentation each Sunday about three Core Commitments of Anabaptism. There will be book and pamphlet resources available for those who want to read along.

Coffee & Community:

Drink some coffee and chat with new and old friends in the lower level each Sunday during the Sunday school hour.

Pastoral Transition Drop-ins:

Join someone from the Pastoral Transition team to process any thoughts, questions, concerns, or emotions you're experiencing during our time of transition at PMC.
