

# What happens on Sunday mornings at PMC?

---

## Music

PMC is blessed to have a vibrant music ministry. Instrumentalists and vocalists from the congregation lend their talents each Sunday to help provide a worshipful experience for all. While PMC doesn't have a regular choir, we also welcome you to join choirs that form during the holidays.

## Children's Time

PMC views the sounds and presence of our children in our worship services as a gift. Are you called to help children understand the love of God through a story, a demonstration or a simple explanation?

Young children aged three to 1st grade are welcome to come to a special time of worship specifically for them. Would you like to help lead a 20-minute child-friendly worship time?
